

**BATIDORA-MEZCLADORA  
BM-42**
**MIXER  
BM-42**
**BATTEUR-MÉLANGEUR  
BM-42**

| N.  | Denominación                       | Description                      | Dénomination                           | Cod.    |
|-----|------------------------------------|----------------------------------|----------------------------------------|---------|
| 1   | Conjunto temporizador              | Timer set                        | Ensemble temporisateur                 | 2509157 |
| 2   | Interruptor de marcha XB2 BC.21    | Start switch XB2 BA.21           | Interrupteur de marche XB2 BA.21       | 2502960 |
| 3   | Interruptor de parada XB2 BC.42    | Stop switch XB2 BC.42            | Interrupteur d'arrêt XB2 BC.42         | 2600145 |
| 4   | Conjunto microrruptor              | Microswitch set                  | Ensemble microrrupteur                 | 2509124 |
| 5   | Contactador III B9-4000 220/380 V. | Contactador B9-4000 220 V. HZ-50 | Contacteur B9-4000 220 V- HZ-50        | 2600124 |
| 6   | Relé 2,5-4 A LR1-D09308A65         | Relay 2,5-4 A LR1-D09308A65      | Relais 2,5-4 A LR1-D09308A65           | 2000720 |
| 7   | Juego completo tapones/patas       | Plug and metalic foot set        | Ensemble bouchons et pieds métalliques | 2509160 |
| 8   | Tapa de mandos                     | Controls cover                   | Couvercle commandes                    | 2503674 |
| 9   | Conjunto cremallera                | Rack set                         | Ensemble crémaillère                   | 2509210 |
| 10  | Conjunto regulador                 | Regulator set                    | Ensemble régulateur                    | 2503554 |
| 11  | Conjunto eje variador              | Variator shaft set               | Ensemble axe variateur                 | 2509225 |
| 12  | Conjunto palanca variador          | Variator lever set               | Ensemble levier variateur              | 2509133 |
| 13  | Protector caldero "A"              | Bowl protector "A"               | Protection cuve "A"                    | 2509285 |
| 14  | Protector caldero "B"              | Bowl protector "B"               | Protection cuve "B"                    | 2509230 |
| 15  | Conjunto guías elevación caldero   | Guides set bowl lifting          | Ensemble guidages montée cuve          | 2509205 |
| 16  | Conjunto eje elevación caldero     | Shaft set bowl lifting           | Ensemble axe montée cuve               | 2509250 |
| 17  | Conjunto palanca elevación caldero | Lever set bowl lifting           | Ensemble levier montée cuve            | 2509163 |
| 18  | Conjunto soporte caldero           | Bowl support set                 | Ensemble support cuve                  | 2509290 |
| 19  | Guía trasera caldero               | Bowl rear guide                  | Guidage arrière cuve                   | 2503432 |
| 20a | Caldero 40 l                       | S.steel bowl 40 l                | Cuve inox. 40 l                        | 2503304 |
| 20b | Caldero 20 l                       | S.steel bowl 20 l                | Cuve inox. 20 l                        | 1500141 |
| 21a | Conjunto gancho amasador 40 l      | Kneading tool set 40 l           | Ensemble outil pétriseur 40 l          | 2503406 |
| 21b | Conjunto gancho amasador 20 l      | Kneading tool set 20 l           | Ensemble outil pétriseur 20 l          | 2503742 |
| 22a | Conjunto paleta amasadora 40 l     | Beating tool set 40 l            | Ensemble outil batteur 40 l            | 2503466 |
| 22b | Conjunto paleta amasadora 20 l     | Beating tool set 20 l            | Ensemble outil batteur 20 l            | 2503748 |
| 23a | Conjunto mezcladora 40 l           | Mixing tool set 40 l             | Ensemble outil mélangeur 40 l          | 2503288 |
| 23b | Conjunto mezcladora 20 l           | Mixing tool set 20 l             | Ensemble outil mélangeur 20 l          | 2503760 |
| 24  | Correa 20-6-900                    | Belt 20/6/900                    | Courroie 20/6/900                      | 2503368 |
| 25  | Conjunto polea variador receptora  | Variator driven pulley set       | Ensemble poulie réceptrice variateur   | 2509275 |
| 26  | Carcasa superior                   | Upper frame                      | Capot supérieur                        | 2503308 |
| 27  | Corona Z-45                        | Z-45 Crown gear                  | Couronne Z-45                          | 2503362 |
| 28  | Conjunto porta-util                | Tool-holder set                  | Ensemble porte-outil                   | 2509280 |
| 29  | Conjunto eje porta-util            | Tool-holder shaft set            | Ensemble axe porte-outil               | 2509220 |
| 30  | Conjunto engranes eje porta-util   | Tool-holder pinions set          | Ensemble pignons axe porte-outil       | 2509232 |
| 31  | Conjunto eje planetario            | Planetary shaft set              | Ensemble axe planétaire                | 2509215 |
| 32  | Conjunto rod. eje planetario       | Planetary shaft bearings set     | Ensemble roulements axe planétaire     | 2509233 |
| 33  | Conjunto polea variador motriz     | Variator driving pulley set      | Ensemble réceptrice variateur          | 2509270 |
| 34  | Conjunto motor trifásico           | Three phase motor set            | Ensemble moteur triphasé               | 2509245 |
